BUILDING STRONGER COMMUNITIES

## Sign up for our online Far-Right Awareness Training.

Learn how the far-right manipulate genuine concerns and use them for their ideological gain. We will be breaking down various aspects including British values, far-right misinformation and commonly used narratives. You will develop an understanding of the methods and dangers of the far-right and how to challenge them through bystander interventions.

- Exploring British Values
- Correcting Misinformation
- Challenging Far-Right Narrative
